ALLERGY & INTOLERANCES

Whilst we make every effort to control cross contamination, all our food is prepared in an area where nuts, gluten and other known allergens maybe present, and so food being prepared may come into contact with other allergens. We cannot guarantee that any item on our menu is allergen free.

If you have any food allergies or intolerances or would like to see our list of ingredients and allergens, please let a member of the team know before ordering.

Our menu descriptions do not include all the ingredients used, so if you have a food allergy please speak to a member of the team before placing an order. Full allergen information is available.

Our team are regularly trained and updated in allergen awareness.
